The Secret Footballer's Guide To The Modern Game

Synopsis

The best-selling anonymous author is back with the ultimate audiobook to challenge conventional footballing wisdom. This is football gift with a bit of attitude. Perfect for football fans and armchair referees alike. With his trademark wit, opinion and candour, The Secret Footballer will guide the reader through: The pass - geometry and positioning and intelligence; Fitness; Skills and dribbling; Power & passion; When to listen to your gaffer and when to ignore him; Data and how it is used on the pitch/in transfers; Football academies; Match fixing, diving and other dark deeds; Tunnel vision - what it takes to be a pro; What the pundits say and what they really mean; top 11s (goals to scapegoats, chants to stadiums); 'Bouncebackability' and other words that just aren't acceptable.

Best Sellers Rank: #144 in Books > Sports & Outdoors > Coaching > Soccer #189

in Books > Biographies & Memoirs > Sports & Outdoors > Soccer #401 in Books >

Biographies & Memoirs > Sports & Outdoors > Football

Customer Reviews

One of best soccer books I have read as really added to my understanding of the games I watch.....For example, I can now appreciate the pressing game of Bayern and Dortmund, and the German demolition of Brazil in the World Cup semi final which I watched with greater appreciation after reading analysis in this book I particularly found the analysis of the changing skill sets required position by position illuminating together with the passing of the off-side trap. All this plus an entertain style and humorous insights not least was the discussion of what motivates Suarez to bite.

Decent book, better than the authors second book but not as good as his first book. I would say about 75% of book is a good read, the other 25% seemed no better than if you were sitting in a bar

and you were getting and earful from some tipsy passionate football fan rambling on about whatever it is he talking about

Interesting and entertaining, this behind the scenes look offers an enhanced picture of modern football, both on and off the pitch. If you are a football fan looking for something other than the pervasive, shallow media narrative, this is a good read.

I like the book and the descriptions from a top players perspective. If you are a analytical coach or soccer player, it is worth the read.

A bit short but nice. Just finished reading Capello & Das Reboot, they sort of form the background for this book

An excellent read for all soccer fans.

Well written. Excellent read.

I mean, the title says it all. TSF's best quality is his stories and insight only a player could have. This book has some of that, and lots of info you can find a thousand other places.
