Wyvern Awakening (Mage Chronicles #1)

Synopsis

A Wyvern dragon shifter. Revenge, lies and a deadly magical challenge. When her parents were murdered eleven years ago, leaving her physically scarred during the event, dragon shifter Astri never learned the identity of their killer. That is until he appears to her in a nightmare. The powerful Duke Jorgen not only rules the city of Rivenna where she lives, he is also responsible for her parents' death and for the disability she's had to bear most of her life. When the chance arises for her to compete to become Duke's assistant, she realises this is her opportunity for revenge. But everything in Astri's world comes with a price. Can she overcome her disability and make Duke pay?

Customer Reviews

This is a very good book. Loads of action, friendships, mystery, lots of magic and dragons. The story line is great and so are the characters. So grab your copy and enjoy reading. I can't wait to read the next one.

Loved it!!! Can't wait for book 2.

Loved the book, kept my interest, didn't want to put it down. Can't wait for the next book

I believe I was about to finish the book in a day. Found that I kept returning to read more as I had free minutes, I found that I liked most of the characters throughout the story. The story shows the struggles and successes as the young woman tries to become her own person.

Astri needs to grow a spine and start using her brain. Also at first she has these dreams that warn her of danger and suddenly they go away? A bit inconsistent, but world has potential.

I really liked this story the main character had depth. Astri and her two adopted pixies live with her vicious aunt and uncle after being scarred and orphaned as a child. Astri leaves her home and job to compete for the Lords assistant. I found this book unique and fun to read will definitely be reading book 2.

This is one of the best books that I have read in a long time. I was not able to put it down. If you are looking for a good book about dragons and mages this is the book for you. I cannot wait until the next books comes out!

The English in this book is pretty poor. It's so bad I had to stop reading. Too bad, because the story is pretty cool. Joanna, next time hire an editor and you will have a real bestseller on your hands.
