The Twisted Window (Laurel-Leaf Suspense Fiction)

Synopsis

The new guy at Tracy's school is handsome, intense, and desperately needs her help—but there's something about him that isn't quite right. High school junior Tracy Lloyd is unsure about the new guy in school. Brad Johnson is attractive, smart, and polite, but Tracy can't help but feel he watches her too closely. Then one day Brad confides in Tracy a horrible secret: His little sister Mindy has been kidnapped by his stepfather, and he needs Tracy's help to get her back. But even as Tracy commits to a plan to help her vulnerable new friend, details emerge that suggest nothing is what it seems. *The Twisted Window* is a zigzagging thriller that keeps readers guessing up until the final page. This ebook features an illustrated biography of Lois Duncan including rare images and never-before-seen documents from the author's personal collection.

Customer Reviews

Of course, it's fiction, but is it plausible? Stranger things have happened, but this story is not

convincing. Still suspenseful and fun to read, though.

I really enjoyed this book. I have liked all the books from Lois Duncan so far. I couldn't put the book down.

Very enjoyable. You wonder how the characters will ever get out of scrapes! Keeps you guessing! Will read other books by Duncan.

Keeps ya guessing through out the whole book. I wish they would make this book into a movie. I would watch it.
