# Going Native In Catalonia

## Synopsis

If you're planning to stay in Catalonia and want the most authentic experience you can get then it pays to be prepared. Much more than a tourist guide, listing the usual attractions for the casual tourist, *Going Native in Catalonia* digs deep beneath this nation's psyche to give you a warts-and-all introduction into the Catalan way of life. Inside you will discover:

- Why Catalonia is not just another part of Spain
- The Quirks of the Catalan people and language
- A brief history of Catalonia and its politics
- Intimate guided tours of key towns and cities
- Advice for short, long and medium term stays
- Personal photographs from the author's travels
- Catalan culture, art, style and partying
- Witty anecdotes and interesting facts to share
- The inside scoop on culinary delights
- Tips on 'going native' and making yourself at home

This guide is written for travellers who want to get off the well-worn cliched track and go local. "Quirky, crazy and a lot of fun. I found myself laughing out loud at some of the observations because they rang so true," Pete Osborne, Badalona
