Warrior Goddess Training Companion Workbook

Synopsis

Warrior Goddess Training taught women in ten lessons how to recommit to themselves, assess where they are, harness their strength and creativity within, and gain clarity on where they want to go. They're big steps to take, with big consequences, and the Warrior Goddess Training Companion Workbook supports women on their journey with deeper discussions of each lesson plus supplemental exercises and stories. This is a great supplement to Warrior Goddess Training.

Really interesting, great activities.

I haven't even finished the book, but I love the easy, honest writing style and already have some tools for empowerment. It's a classic, to be read through and also to simply turn to a page and get some wisdom.

Great book for additional work for Warrior Goddess training

I am a Warrior Goddess!!

This book was very profound for me and helped me get to the heart of some big issues.

Great companion to put into practice what you've learned from reading the book.

This is a great companion to the book. I think every woman should read the book, and the workbook accentuates the book.

This was very helpful in implementing the direction and suggestions in the book. I definitely recommend this to anyone on the Warrior Goddess path.
