I received this book on my birthday, which was a great present. I could not put it down once I started reading it. I love how Willie and Patricia were so transparent. I really enjoyed their testimony. I met Willie at my church when he used to work as the Youth Pastor. What I love about him is that he is very friendly. When he speaks to you, he makes you feel like you are the only person in the room. He is very into people, and he truly cares about them. The youth at my church just love him. I am proud of you Willie and Patricia. I know this book will sell millions and help people. I know you have more books in you. And thank you for inspiring us all to believe in our dreams!! I received this book on Saturday evening, and I finished the book in one sitting. I am now going back through it to write things down. This book has helped me and I pray that the people who buy this book will as Willie Moore Jr says "invest" in it and actually read it. Thank you to you and your beautiful wife for giving so much of your personal experiences so that others could be blessed by your insight and leanings.
