Youth Ministry In The 21st Century: The Encyclopedia Of Practical Ideas

Synopsis

Groundbreaking Insights and Fresh Tools for Youth Ministry! Over 100 Practical Ideas Inside! You'll gain powerful insights and tons of practical ideas to immediately use in your ministry. Includes worship ideas, discussion starters, object lessons, ideas for family activities, outreach, and much more. This volume focuses on eight revolutionary findings from the National Study of Youth and Religion: The Basics of Faith Guides teenagers to understand the basics of the gospel and the role God really wants to play in their lives. Everyday Faith Helps teenagers have a faith that matters – a living, vibrant, everyday relationship with God that impacts every part of their lives. Faith Expressed Helps students articulate and express their faith in Jesus through everything they do and say. Spiritual Training Engages students in spiritual training so they'll be practiced at living out their faith in real ways. Community Building Creates a safe, authentic ministry that encourages teenagers to be who they are – and grow closer to each other and Jesus. Parents Involve, serve, love, and work alongside the most essential people in teenagers' faith development – parents. Outreach and Evangelism Introduces Jesus to teenagers and equip them to reach out to their friends with Jesus' love. Postmodernism Helps students become committed Jesus-followers who explore everything with a filter of prayer, careful thought, and biblical perspective.

Pretty good book, recommend.

This book is a great tool for any youth minister who is just getting started. I am currently pursuing my Masters at New Orleans Baptist Seminary, and this book comes highly recommended by every youth ministry professor here, and is highly esteemed by the students who are using it!

I have had this resource for months and I am just getting around to reading it. What a shame for me, my eyes were opened. The research findings from the National Study of Youth and Religion are informative. This book helped me better understand teenagers in today's world. The first section of each chapter goes through a topic and the research finding and the 2nd section of each chapter has "Ministry Tools," these are tons of ideas and practical ways to put the topic into action. The ideas range from simple, (not much prep) to more organized functions. It will give you the tools to inspire your teens to have a life-transformation relationship with Jesus. If you are involved in youth in anyway, this book would be an effective tool for your ministry
