## Customer Reviews

Awesome magazine. Easy to understand. Excellent strategy. Also, Bob Lung is very knowledgeable and even emailed me updated player rankings for my draft!

I take my fantasy football very seriously and one of the great weapons in my research arsenal is Bob Lung's annual Fantasy Football Consistency Guide. Bob focuses on Clutch Games, the consistency of rookies, and projects consistency profiles for the top 175+ QBs, RBs, WRs, and TEs. Bob effortlessly explains his consistency rating system and makes it easy for beginners or "experts" to understand his unique philosophy. The book even offers sections on draft prep, undervalued (but consistent) players, and a tiered draft list. If you want to get a hand up on your draft research and have information no one else in your league will possess, don't buy a magazine from which everyone else will be drafting...pick up this guide!

Bob is great, he really know his fantasy football. Looking forward to getting my copy so I can continue to prepare for my drafts.
