Governmental GAAP Guide, 2017

Synopsis

CCHs Governmental GAAP Guide analyzes all of the accounting principles for financial reporting by state and local governments. GASB Statements, GASB Interpretations, GASB Technical Bulletins as well as releases of the National Council on Governmental Accounting (NCGA) that remain in effect as of the date of publication, including Statements and NCGA Interpretations are restated in plain English and supported by timesaving examples and illustrations. Certain AICPA Audit and Accounting Guide concepts are also discussed. In one comprehensive volume, this impressive guide explains completely the financial accounting and reporting standards that are necessary in preparing the basic external financial statements of a governmental entity.
