Milady Standard Nail Technology

Synopsis

Milady Standard Nail Technology, 7th Edition is packed with new and updated information on several important topics including infection control, manicuring, pedicuring, chemistry, UV gels, and the salon business. Brand new procedural photography enhances step-by-step instructions. Also included, is a new "Why Study?" section at the beginning of each chapter, outlining the importance of understanding the concepts presented. Chapter objectives have also been revised to provide measurable, outcomes-based goals that can later be assessed using the end-of-chapter review questions. This latest edition of Milady Standard Nail Technology gives the aspiring nail technician the tools they need to launch themselves into a rewarding and successful career.

Customer Reviews

"Milady has been the choice of textbook at all of the schools I have been employed, including the current college in which I facilitate. The information contained in the textbooks continues to evolve and allow students to learn practical applicable accurate industry driven content. I commend the companies continued effort to allow our industry to grow and remain current. ""The emphasis placed on Communications, Life Skills and Nail art sold me. As the leading factors in business success for the current nail industry I was really pleased to see the adjustments and attention to their development."

I received this book within a reasonable time frame. It is as described. It is exactly what I needed for my college nail program. I would recommend this book.

I love the layout of the book and right from the first chapter there are so many things I didn't know! You will thoroughly enjoy learning from this book ^_*

Love this book! So much information and fantastic step by step color photos. Highly recommend this book to anyone that has an interest in becoming a nail technician. Also, the delivery was crazy fast. Got my book in two days :)

Just what I needed to study for my test has everything in it down to updated stuff very clear and understandable and I like it.
